<b>Sole material</b>	Double density PU/RU, Sievi TractionPro®
<b>Upper material</b>	Split leather
<b>BOA® lace length</b>	60 cm

The Spider Roller is the perfect choice for situations that require a durable shoe. This shoe comes with an aluminium toe cap and penetration-resistant steel midsole. The 3D-dry® lining, Dual insoles and BOA® Fit System ensure performance and no pressure points. The shoe features Sievi's TractionPro® friction sole, which offers the best friction properties on the market, regardless of conditions.
